Your advantages in detail

The COMfortel M-710 is optimized for everyday use in a wide range of environments. It not only feels great in your hand but is scratch and disinfectant resistant due to its high-quality Polymer finish. This handset convinces with its large display, a long talk time and a special function key which can be used e.g. for direct dialing or alarming. The COMfortel M-710 impresses furthermore with an unbeatable price-performance ratio. This makes it ideal as an entry model.

The optimal connection possibilities using Micro-USB, 3.5 mm cinch and Bluetooth® simplify the coupling with external devices a lot. The mobile unit is already equipped with business functions such as vibration alarm and audio profiles to adapt it conveniently to individual needs. It comes with a belt clip so that it can be easily taken anywhere. For a specially bustling work environments we offer the Professional Belt Clip which guarantees perfect hold.
